Gentlemen:

Attached hereto is a notarized affidavit of cementing to cover the plugging of subject well. Some of the remaining requirements set forth in the form letter dated January 10, 1968, on this matter have been completed, but the requirements of filling and leveling the pits, etc., will not be completed until a little later in the spring.

We will advise you when all work has been done and all requirements fulfilled so that you may make a final inspection of this location.

Very truly yours,
