Re: Salt Water Disposal System,
North Morton Field -
Twp. 14 S., Rge. 35 E., N.M.P.M.,
Lea County, New Mexico

Gentlemen:

With reference to the captioned and in compliance with the New Mexico Oil Conservation Commission's rules and regulations, we enclose herewith for your records one copy of Form C-108 in regard to the Humble 'X' No. 1 State well which is to be used as a supplemental injection well for this disposal system.

If you have no objections to the proposed salt water disposal project as an offset lease owner, please signify your approval by dating and signing two xerox copies of this letter and returning one to this office and forwarding the other to the Commissioner of Public Lands in the enclosed self-addressed envelopes in order that the Oil Conservation Commission may expedite their approval of our application.

Thank you for your understanding and attention to this request.

Very truly yours,

OLEN F. FEATHERSTONE
