Section 32, T-16-S, R-38-E
Lea County, New Mexico

Gentlemen:

Division Form C-120-A covering volumes for the above captioned salt water disposal well are being submitted to this office by Altair Energy Corporation, although our records show the operator of record to be Clemco.

Until such time as Altair Energy files a plugging bond with the office of the Oil Conservation Division in Santa Fe, and Form C-104 indicating the change of ownership with the Hobbs District office, Clemco, as operator of record, will be responsible to this office for the well and all reports should be filed by Clemco.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
