

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Commission not later than 10 days after the completion of any newly-drilled or deepened well. It shall be filed only once for all electrical and radioactivity logs run on the well and a summary of all special tests conducted, including well tests, if any. All logs reported shall be compared by this, in the case of line, then only, with a well, then vertical logs shall also be reported for all other well formations. Items of this log shall be reported for each zone. The form is to be filed in quarterly reports except on state land, where no reporting is required. (See Rule 11.5.)
