Sante Fe, New Mexico 87501

Dear Mr. Stamets:

Subject: Application for Saltwater Disposal  
Mesa Petroleum Co.  
Lister #1  
1980' FNL & 1980' FEL  
Sec 3, T16S, R35E  
Lea County, New Mexico

Application is hereby made for administrative approval to convert the subject well to saltwater disposal in the Wolfcamp zone from 10,082' to 10,088' with a maximum injection rate of 500 bbl of saltwater per day at a maximum pressure of 3500 psi. In support of this application please find enclosed Form C-108 with attachments, proof of notice of publication in the Hobbs News-Sun, and certified mail receipt numbers for proof of notice to the surface owner and leasehold operators within one-half mile of the well location.

If further information is required, please advise.

Sincerely,

A handwritten signature in dark ink, appearing to read 'R.E. Mathis', with a stylized flourish at the end.

R.E. Mathis
