SUBJECT: MCA Unit Bty 4, #350-L, 26-17-32

Gentlemen:

I have approved the attached C-103, but as previously discussed, if events occur during the work over which prevents the injection zone from being plugged properly, your injection area will be limited within one half mile of the well.

We request 24 hours prior notice in order to witness the operation.

Very truly yours

OIL CONSERVATION DIVISION
