17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

1-14-87 We have been unable to re-enter the top of the 9 5/8 casing on this well. Since we have spent a considerable amount of money to this point, we propose to spot a cement plug on top of the 9 5/8 (1886') and temporarily abandon this hole until such time that we have been able to give it considerable thought before resuming operations.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.

Kenneth D. Reynolds
