Re: Development Plan for Surface Use  
Kirby Exploration Company  
Hudson Federal #1 (Lease #LC054687)  
Section 15, T17S, R32E, Lea County,  
New Mexico

Attention: Mr. Arthur R. Brown  
District Engineer

Dear Mr. Brown:

In accordance with U.S.G.S. notice of September 1, 1973, the following "Development Plan for Surface Use" is submitted with the "Application to Permit to Drill" to insure proper protection of the environment during the development of the above Federal lease.

1. Existing roads including location of the exit from the main highway: See Attached Topographic Map (Exhibit #3)
2. Planned access road - See Attached Topographic Map  
Will use existing roads to edge of location. (Exhibit #3)
3. Location of existing wells - See Attached land map. (Exhibit #4)
4. Lateral roads to well location - See Attached Topographic Map (Exhibit #3)
5. Location of tank batteries and flow line:  
200' South of well on edge of location.
6. Location and type of water supply:  
No water available - will haul water using trucks.
7. Methods for handling waste disposal:
