Dear Mr. Sexton:

In reply to your letter dated November 11, 1982, attached is a schematic diagram and Form C-103 explaining the completion of the North Townsend Unit No. 1. Should additional information be required concerning this completion, please contact John Rodgers in our Midland Office.

Also, from your letter dated December 22, 1982, we have no objection to the combining of the Townsend-Wolfcamp, Eidson-Penn, and Townsend-Cisco Pools into the Permo-Upper Penn Pool.

Very truly yours,

J. E. Pullig
Division Manager
