Gentlemen:

We are returning approved copies of Forms C-101 and C-102 for your Eidson Com Well No. 1 to be located in Unit ~~8~~ of Section 28, T-16-S, R-35-E.

We wish to call to your attention, however, that since the vertical limits of the Townsend Morrow Gas Pool are restricted to the Morrow formation, only, we will be unable to authorize production from both the Atoka and Morrow formations as shown on these forms.

Yours very truly,

OIL CONSERVATION DIVISION
