P. O. Box 1980
Hobbs, New Mexico 88240

Gentlemen:

In reference to your letter dated April 23, 1981 on the Northeast Kemnitz #5, enclosed please find an attempted 4-point test conducted by Northern Natural Gas. The well was producing too much fluid so we will attempt to 4-point down the pipeline.

Yours very truly,

ELK OIL COMPANY

Joseph J. Kelly
President
