Recompletion of well in Morrow Zone

Dear Ms. Carpenter:

Conoco Inc. has an existing gas purchase contract with Hexagon Oil and Gas, Inc. to purchase gas from the above referenced well down to and including gas produced from the Atoka depth. As Hexagon has recompleted the well in the Morrow Zone, Conoco Inc. intends to amend the contract to include gas produced from the Morrow. The effective date of the amendment will be September 2, 1982.

Please feel free to contact me if additional information is required.

Very truly yours,

Philip L. Frederickson
