Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.

1. If more than one lease is dedicated to the well, outline each and identify the ownership thereof, interests therein, interest and locality.
2. If more than one lease of different ownerships is dedicated to the well, have the interests of all owners pooled, consolidated by communitization, unitization, force-pooling, etc?

Yes No If answer is "yes," type of consolidation _____

If answer is "No," list the owners and tract descriptions which have actually been consolidated. If so, reference to this form of necessity _____

No allowance will be assigned to the well until all interests have been consolidated. If a separate tract is set aside for a separate lease or otherwise is not a standard unit, eliminating such interests has been approved by the State _____

I hereby certify that the well shown on this plat was drilled from the notes of actual surveys made by me under my supervision, and that the same is true and correct to the best of my knowledge and belief.
