V-F Petroleum Inc.
Graham #1 Well
Sec. 9L, T-15-S, R-36-E
Lea County, New Mexico

Gentlemen:

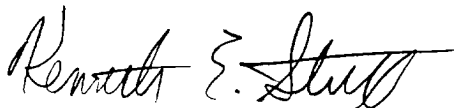

As per our conversation on May 11, we have notified the mineral interest owners in the SE/4 of Sec 9, T-15-S, R-36-E of our intentions to re-complete the Graham #1. As we discussed, the mineral ownership in the SE/4 is common with the SW/4 of Sec. 9.

All mineral owners in the SE/4 of Sec. 9 have been notified by certified mail. Copies of this mailing are included with this letter.

It is our understanding that another 30-day waiting period will begin from the receipt of this material in your office.

We appreciate your consideration and cooperation in this matter.

Very truly yours,

Kenneth E. Stull
Geologist
Engineering Technician
