Attention Mr. C. A. Hansen

Dear Mr. Hansen:

After reviewing completion information submitted for your New Mexico 1-4 State Com Well No. 1 located in Unit N of Section 4, T-16-S, R-35-E, Lea County, New Mexico, it appears that the well should be classified as an oil well rather than as a gas well as indicated on your reports.

If you concur, please submit two copies of a revised Form C-102 outlining only a 40 acre dedication for the well. In the event that you do not concur, it will be necessary for you to furnish us with additional information to support the gas well classification.

Yours very truly,

OIL CONSERVATION DIVISION
