Change the name of the well(s) to the unit name, as listed above, by November 4, 1994. If you disagree with our findings or have any questions, please contact Ms. Shawn Gooding at (505) 827-5874.

A single Production Unit Number (PUN) will be assigned to well completions that have three common elements: Master Operator, Property ID, and Pool Code.

It is critical that the above name change be made, due to PUNs being issued by the ONGARD system in the near future for State Production Taxes and State Royalty purposes. If the name change does not occur, it will result in the well(s) being issued a different PUN on a lease basis instead of the PUN assigned to the Unit.

If you have any other questions, please contact Mr. Rey Tellez, Deputy Director, at (505) 827-5757.

Sincerely,

Maurice Lierz
