Re: Johnson and Price's
Amoco-Stone #1 well
Sec. 22, T-15-S, R-38-E,
Lea County, New Mexico

Gentlemen:

Regarding the captioned proposed well, enclosed please find the following:

1. The original and four conformed copies of Form C-101 (Application For Permit To Drill);
2. The original and two conformed copies of Form C-102 (Well Location And Acreage Dedication Plat); and
3. Partially completed Application For An Unorthodox Well Location (this application will be completed reflecting all of our off-set owners and filed within 3-4 days).

Mr. Dan S. Nutter on September 10, 1982, indicated that we would be granted approval to drill this unorthodox location, subject to approval granted at the hearing scheduled October 13, 1982, and that no allowable would be assigned unless and until the unorthodox location has been approved.

If you have any questions whatsoever, please contact us immediately.

Yours truly,

Tom E. Johnson
