Dear Mr. Sexton,

I.T. Properties hereby requests that at this time, that the NMOCD does not grant approval to SYNERGY Oil & Gas, Inc. for the plugging and abandonment of the above referenced well.

I.T. is a working interest owner in this well and as per terms of the well's Joint Operating Agreement, has disapproved Synergy's P&A proposal. I.T. will be acquiring this well from the current operator, Synergy, and I.T. (a bonded NM operator) will be assuming operations for this well in the near future.

If you have any questions feel free to contact me.

Sincerely,

Tom Osvold
Land Manager
