Re: OFFSET OPERATORS
NE/4 Sec. 17, T-16-S, R-34-E
Lea County, New Mexico
(Kemnitz Prospect NM005)

Gentlemen:

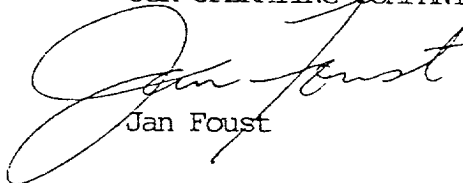

OGR Operating Company, Inc. has applied to commingle downhole production from the Cisco formation, from 11,127' to 11,154', with production from the Kemnitz Lower Wolfcamp, from 10,451' to 10,473', in the OGR Operating Company, Inc. Kemnitz State 17-1 well located in the SE/4 NE/4 of Section 17.

If you have no objection to OGR Operating Company, Inc. commingling the production from the zones herein described, please sign and return one copy of this letter.

Thank you for your assistance.

Sincerely,

OGR OPERATING COMPANY, INC.

Jan Foust

The undersigned hereby waives all objections to OGR Operating Company, Inc. commingling production from the Cisco and Kemnitz Lower Wolfcamp formations.
