Re: Cleanup of Plugged Well Location
Scott #3Y-F Sec 1, T15S, R36E

Gentlemen:

The above plugged well location was recently inspected and the pits are still in place and everything as it was when we inspected it in November 1986. Your Mr. Jim Cannon advised our field inspector that the surface location was to be cleaned by the land owner, Mr. Shorty Alexander, and that he had been paid to do so.

We cannot release Elk Oil Company from the cleanup of the surface unless we have a letter on file which has been signed by the surface owner agreeing to release you of any further obligation on the cleanup and resotation of the area.

Please file this letter with us and we will be happy to release the final plugging of your Scott #3Y.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
