Hobbs, NM 88240

Gentlemen:

Enclosed is a revised plat on the above well. During our staking of Well #2 we discovered that Lot 1 was longated. As a result, the well is located in an unorthodox location. This well was plugged 3-17-86.

Sincerely,

Melba Knipling
NGPA & Permits

MK:dm

4/29/86

NOTE: Since well was plugged and not produced -- no unorthodox location will be required.

Jerry Sexton
Supervisor, District I
