Wiser 29 St. COM Well #1  
W2SW4 Sec. 29-T16S-R37E  
Lea County, New Mexico

Gentlemen:

The Commissioner of Public Lands approved your Wiser 29 State COM Well #1 Communitization Agreement on August 26, 1987 effective as of August 3, 1987. This agreement communitized the W2SW4 of Section 29, Township 16 South, Range 37 East, as to the STRAWN formation. The term of your agreement was for one year and so long as communitized substances are produced from the communitized area in paying quantities.

As per your request dated October 20, 1987, the Wiser 29 State COM Well #1 Communitization Agreement shall be terminated effective October 20, 1987. Since this well is no longer a communitization, the word COM must be omitted.

If we may be of further help, please do not hesitate to call on us.

Very truly yours.
