Case No. 10669, Order No. R-9875
McMillan #34-1
Sec.34-T14S-R38E
Lea County, New Mexico

Dear Mr. Sexton:

As required by the above-referenced order, please find attached a new Form C-102 dedicating 160 acres to the McMillan #34-1 well.

Pursuant to No. 3 of the Order, which approves the location of presently completed wells in the Northeast Pollack-Wolfcamp pool, Columbia hereby notifies your office that the above-referenced McMillan #34-1 well has an unorthodox location. The well is 400' from the north boundary of the unit instead of the 660' specified in Rule 4.

Should you have any questions or require any additional information, please contact me at 713/871-3482.

Sincerely,

A handwritten signature in cursive script that reads "Wendy G. DesOrmeaux".
