Dear Mr. Sexton:

To document our telephone conversation earlier this afternoon, the farmer of the above referenced location has requested that Columbia cut off the 4 foot above ground marker left when the well was plugged and abandoned so that he may farm the area.

As per your verbal approval, Columbia will cut off the marker three feet below ground level and cover with a plate.

Should you require any additional information, please contact me at 713/871-3482.

Sincerely,

A handwritten signature in cursive script that reads "Wendy G. DesOrmeaux".
