Re: North Feather State Unit
S $\frac{1}{2}$ Section 9, N $\frac{1}{2}$ Section 16, 15 South, 32 East
Lea County, New Mexico

Dear Mr. Courtney:

Pursuant to the telephone conversation of January 28, 1993, with Pete Martinez regarding the drilling of the North Feather State Unit Well #1-H, Section 16, 15S, 32E.

We have noticed that in the New Mexico Oil Conversation Division Form C-101 intent to drill, you have named the initial well the State 16 Well #1.

Please be advised that if this is to be the initial Unit well, the name must be changed to the North Feather State Unit Well #1. All other well drilled in the unit must also carry the Unit name.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

JIM BACA
