

5. Applicant operates Section 35 and 26, Township 14 South, Range 37 East, under a common lease and therefore this unorthodox location only encroaches on acreage operated by Collins & Ware, Inc., with ownership common to the ownership of the dedicated spacing unit.

6. Approval of this application will afford applicant the opportunity to produce its just and equitable share of the oil in the Devonian formation and will otherwise be in the best interest of conservation, the protection of correlative rights and the prevention of waste.

WHEREFORE, Collins & Ware, Inc. requests that this application be set for hearing before a duly appointed Examiner of the Oil Conservation Division on April 20, 1995, and after notice and hearing as required by law, the Division enter its Order granting this application and providing such other relief as is proper.

Respectfully submitted,

CAMPBELL, CARR & BERGE, P.A.
