CASING TEST AND CEMENT JOB ☐

OTHER: ☐

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The Permit to Drill for this well was approved 10-11-95, expiring 4-11-96. The Wiser Oil Company wishes to extend the APD for this well and drill it as a water injection well instead of as an oil producer. Plans call for drilling this well in late February or early March, 1997. This is an expansion of the Maljamar Grayburg Unit Waterflood Project and was approved under New Mexico Oil Conservation Division Order WFX-696 on 11-15-96.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
