Re: Downhole Commingling Application
Morton Unit Well No. 1
Unit B, Section 5, T-15S, R-35E, NMPM
Lea County, New Mexico

Dear Mr. Keith:

Reference is made to your request dated April 21, 1998, to downhole commingle Atoka, Morrow and Mississippian production within the subject well. Please be advised that pursuant to Division Rule No. 303.C.(1)(b)(ii), the well does not qualify for administrative approval for downhole commingling. I am therefore setting your application to hearing before a Division examiner on the June 25th docket.

If you should have any questions, please contact me at (505) 827-8184.

Sincerely,

David Catanach
