Attn: Pat Keller

RE: BYERS #1, UNIT C, S29-T16S-R39E

Gentlemen:

The above well has recently been inspected by an Oil Conservation Division Representative in an attempt to release the location.

However, before this location can be released the following items need to be completed.

1. Dry hole marker should include:
 - a. Company Name, Lease Name, Well Number.
 - b. Unit Letter, or Qtr/Qtr Section.
 - c. Section, Township and Range.
2. Please fill and/or level all pits and cellar.

When the above has been completed, contact Jerry Sexton, at (505) 393-6161 or sign this letter below and return it to the address stated above.

Sincerely,

JERRY SEXTON
District 1 Supervisor

3/20/97

Dry hole marker was welded onto plate where casing cut off below ground surface due to landowner using land for farming.
