Gentlemen:

Per your letter from W Thomas Kellahin on March 25, 1997 a special request to produce the Chamber 7 #1 well in accordance with the 80 acre spacing including a depth bracket allowable of 445 BOPD is granted for 30 days or until your application is ruled on by the Oil Conservation Division in Santa Fe for creation of a new pool. If you are not granted this special pool rule, Chesapeake will have to make up any over production.
