Gentlemen:

Per your letter on July 31, 1997, the Notice of Intention to drill for the subject well is requested to be nullified. To date no progress reports, Forms C-103, have been received.. Therefore, approval of your permit to drill this well has been canceled. No drilling operations are to be initiated without further notice and approval by the Oil Conservation Division. Pending such approval, this location will be considered as an abandoned location.

Very truly yours,
