COMMENCE DRILLING OPNS. ☐ PLUG AND ABANDONMENT ☐
CASING TEST AND CEMENT JOB ☐
OTHER: ☐

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

UMC is requesting to line the existing drilling reserve pit to use for water circulation to complete the well. The original pit contents are dried out. We would like to install liner over old pit and seal, build up the bermed perimeter and utilize. Contents of this pit will be dried out and removed with the original drilling pit contents, after the well has been completed.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
