***Re: Division Case No. 12560 - Application of David H. Arrington Oil & Gas, Inc. for compulsory pooling, directional drilling, and an unorthodox well location, Lea County, New Mexico.***

Dear Mr. Carr:

I am in receipt of Mr. Bill Baker's letter dated March 27, 2001, which was written in response to my letter to you of March 14<sup>th</sup>. His correspondence brings up several issues that will need to be explained within an order issued in this matter, I therefore find it necessary to review the directional drilling survey taken of this well. Please provide me a copy of the survey with a schematic diagram of the finished wellbore. Thank you.

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
