Gentlemen:

Per phone conversation between Clifton May and Donna Mull (OCD) on this date. The C-103 that was approved March 10, 2003 for the well listed above must be revoked. After more research shows that another operator already has intent to drill to the Morrow formation in this area with the dedicated acreage, which you requested.

If you have any more questions on this matter, please call (505) 393-6161.

Yours truly,
