13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Yates Petroleum Corporation is submitting application for produced water from the above well pursuant to NTL-2B, Section II, and requests your approval. The well produces approximately 45 bbls of water per day from the Querecho Plains Delaware formation. The water is stored in a 210 barrel stock tank and transported by I & W trucking to the Flamenco SWD #1 permit #SWD-428.

A water analysis is attached.

14. I hereby certify that the foregoing is true and correct
