Emergency Pits

Conditions of Approval

Approval of the construction and use of the emergency pit described in your attached application is subject to the following conditions of approval:

1. Pit must be fenced to prevent access by livestock and wildlife.
2. Relocation or enlargement of pit must have prior approval.
3. Pit shall be emptied and liquids disposed of in a manner consistent with NTL-2B requirements within 48 hours following its use.
4. This agency reserves the right to modify or rescind approval whenever it determines continued use of the approved method may adversely affect the surface or subsurface environments.
