

December 13, 1961

Leonard Oil Company
P. O. Box 400
Roswell, New Mexico

Gentlemen:

This will advise you that the National Potash Company has received your notice of intention to drill the Federal Well No. 2 in Section 33, Township 19 South, Range 32 East, Lea County, New Mexico.

The National Potash Company will offer no objections to the proposed location of this well.

Very truly yours,

R. F. Hillman
Mine Engineer
