This well was reactivated as an active water injection well on 7-1-77 without any additional remedial work having to be done. The form C-103 (see attached) dated 6-22-81, on which we reported our proposed intention of additional remedial work to be done on this well was reported in error. This proposed remedial work is planned for SMGSAU Tract 7, Well No. 2, 3, 29-17-33.

I, hereby certify that the information above is true and complete to the best of my knowledge and belief.
