API # 30-025-01586

Gentlemen:

Harvey E. Yates Co. has submitted an application to drill Santa Fe Exporation, #2-I, 1980/S & 660/E of Sec 6, T-18S, R-33E. We find that Sohio Petroleum Co. had a well completed in October 19, 1956 staked at the same location that is now Plug & Abandoned. We also find with some research that the Sohio Petroleum Co. well listed above was staked wrong and should be 1980/S & 710/E. We have submit a Form C-102 well location plat to correct this error. Please file this to correct your records. If you have any questions on this matter, please call District I office, Hobbs NM, (505) 393-6161.

Yours very truly,
