Gentlemen:

In checking our files on plugged and abandoned wells, we note that by letter dated October 30, 1957 you were advised of the work yet to be done before approval can be made of Form C-103, Report of Final Plugging, for the subject well.

Please advise this office when this work has been done so that a final inspection may be made. The Notice of Intention to Plug was approved on Nov. 14, 1956.

Yours very truly,
