This form is to be filed in compliance with RULE :166.

If this is a request for allowable for a newly drilled or despendently this form must be accompanied by a tabulation of the deviction tests taken on the well in accordance with MULE 111.

All sections of this form must be filled out completely for allowable on new and recompleted wells.

Fill out only Sections I. H. III, and VI for changes of condition, well name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for such pool in multiply completed wells.
