Attention: Mr. Don L. Bowen

Gentlemen:

Pursuant to your letter of October 4, 1962, this is to advise that we have processed Form C-103 covering the L. N. Marbry well located in Section 3, T-18-S, R-34-E, Lea County, New Mexico, whereby Gulf Oil Corporation has taken over the operation of this well.

Insofar as the Commission is concerned this would release the bonding obligation of both Mr. Marbry and Hartford. Therefore, I would advise that you contact our Santa Fe office and ask that the bond covering this well be cancelled.

According to correspondence in our files, Allied Supply was assigned this well and all surface equipment as a result of court action.

If we can be of any further assistance in this matter, please advise.

Yours very truly,

OIL CONSERVATION COMMISSION
