Gentlemen:

This office has had considerable correspondence with Mr. L N. Marbry and also with the Allied Supply Co. of Artesia concerning the Marbry Lea St. #1 located in unit J, Sec. -3, T-18-S, R-34-E., Lea County, New Mexico. By letter dated September 6, 1962 we were advised by Allied Supply Co. that Gulf has now taken over operation of the lease involved.

Since it appears that you have taken over this lease we are wondering if you are also excepting the operation and responsibility of the Marbry St. #1. If you are not it will then be necessary that we contact the bonding agent of Mr. Marbry for plugging of this well.

Please advise this office at your earliest convenience as to whether or not you are assuming responsibility for this well and if you are what your future plans will be.

Yours very truly,

Joe D. Ramey
Supervisor, District I
