Attn: Mr. Joe D. Ramey,
Supervisor, District 1

Gentlemen:

We have your letter of August 31, concerning the subject lease. I am very sorry that you were not notified, but there has been a change on the ownership of this lease. The well is shut in at the present time, and was quit-claimed back to the Gulf Oil Corporation in the month of April, 1962. This was accepted and confirmed by Gulf and they are now the owners of this lease.

This lease was originally a farm-out from the Gulf Oil Corporation. That can be confirmed by a letter to the Gulf Oil Corporation, Box 1938, Roswell, New Mexico.

I am again sorry that we did not notify you of this action and certainly do appreciate your very good cooperation in helping us to straighten this matter out.

Yours very truly,

ALLIED SUPPLY COMPANY
