NW SE Sec. 3, T-18-S, R-34-E, Lea Cty., N.M.

Dear Sir:

In March of 1960 this office received Form C-102 indicating that you proposed to plug and abandon the above captioned well. Since that time it has come to our attention that this well has been taken over by Allied Supply Company. Since the well is still carried in your name insofar as this office is concerned, please advise as to the current status of the well and your future plans.

Your prompt attention to this matter will be appreciated.

Yours very truly,

OIL CONSERVATION COMMISSION
