Lea County, New Mexico

Gentlemen:

We have recently purchased the lease-holdings and equipment on the subject oil property by attachment proceedings and sale of attached property in Lea County District Court, Suit #18695, "ALLIED SUPPLY COMPANY vs. L.N. MARBRY."

We would like to have special permission or authority to sell or dispose of the production stored on this lease at the present time. There is approximately 200-barrels of recovered fracturing oil and approximately 200-barrels of produced oil. It is necessary that we move this oil so that we might remove the tanks and equipment from the premises.

We are enclosing an affidavit stating the facts concerning this oil. A reply at your earliest convenience will be appreciated.

Yours very truly,
