Re: Proposed Phillips Lea State Waterflood Project -(R-8572)
Proposed Replugging of Malco Phillips State Well #1-B
(Sec. 6, T18S, R34)

Gentlemen:

According to our records Sohio filed an intent to replug the above-referenced well in preparation of commencing a waterflood project on the Phillips Lea Lease in the Vacuum GB/SA Pool. As of this date no subsequent report has been received.

Since Presidio acquired the Phillips Lea Lease please advise if any re-entry work was done on this well. Also, please advise if you still have plans to institute this waterflood project.

Very truly yours,
