Dear Sir:

We are returning Form C-103 for your New Mexico State No. 1 located in Unit K of Section 6, T-18-S, R-34-E for more information. On the surface casing, please state whether or not the cement circulated, the waiting on cement time, how the casing was tested and the results of the test. On the production string, please show the date set and the waiting on cement time. Also, please state to what depth rotary tools were used.

We also wish to call to your attention that before an allowable can be assigned for this well it will be necessary for you to file Form C-110 indicating the authorized transporter.

Yours very truly,

OIL CONSERVATION COMMISSION
