Re: Application to Dual Complete
New Mexico State "BO" No. 2
Vacuum Abso Pool
Lea County, New Mexico

Mr. W. H. Porter, Jr., Secretary-Director
New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Humble Oil and Refining Company respectfully requests administrative approval for a non-concentric dual completion of its New Mexico State "BO" No. 2, Vacuum Abso Pool, Lea County, New Mexico, located in Unit 1, 1980 feet FSL and 330 feet FEL, section 12, T-18-S, R-34-E.

This is a proposed multicompletion whereby one string of 4-1/2-inch casing will be set to total depth at approximately 9,000 feet for completion of the Abso pay and one string of 2-7/8-inch casing will be set to approximately 8,000 feet and cemented in the same well bore for completion in the Brinkard horizon.

Two copies of this application are being forwarded to your Hobbs office and one copy to each offset operator. It is requested that this application be handled under the 20-day waiting period provision of Rule 112-2. Attached are the registration receipts for the offset operator's notification.

Yours truly,

HUMBLE OIL & REFINING COMPANY
