Dear Sir:

We are enclosing herewith Form C-101 in triplicate covering the drilling of our State of New Mexico AE No. 2 well. This form supercedes that filed on this well under date of March 10, 1942 and approved by you as of March 13, 1942. The location approved at that time was never drilled, and you will note from the enclosed form that a change in location has been made. Please substitute this for and destroy the form dated March 10, 1942.

Very truly yours,
